Crafted by Nature, Perfected by Hand

With over 30 years of expertise, we transform natural stone into refined tiles and mosaics. Honouring craftsmanship at every stage — from design to precision cutting — each piece celebrates the beauty and timeless soul of stone in its purest form.

THE INNOVATIVE LARGE FORMAT THIN NATURAL STONE TILE

Large Format & Slim Profile

Available in up to 120x60cm with a minimal 10mm thickness, maintaining a sleek and modern look.

Reinforced Backing System

Special Reinforced Backing System enhances strength, reducing the risk of cracks and warping.

Impact & Stress Resistant

Thin yet structurally stable, making it easy to handle while offering superior resistance to damage.

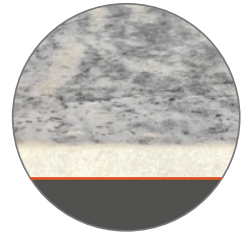

Lightweight & Strong

Withstands thermal expansion, foot traffic, and heavy impacts, outperforming standard porcelain tiles.

Planogram Sample

Our marble tile & mosaic range is continuously growing, with new designs being added regularly. As a result, some sample boards may not yet be available, and the display stand may not be fully populated during the initial setup. Additional samples will be supplied as they become available, ensuring the display remains up to date with our expanding collection.
